

Technical Requirements for Using FF4K

Financial Foundations for Kids (FF4K) is offered for **FREE** to all Kansas K-12 public or private schools. The teacher's guide and other resources are available on the website www.ff4kids.com but the actual courseware must be accessed through one of the multiple ways listed below:

1. Access FF4Kids Courseware via the Internet

Teacher must register to receive a password to log in. Register online at www.ff4kids.com and then click on the "Teacher" link. The teacher page will have a link on the left side-bar at access FF4K online. Teachers register one time. Students should use the teacher ID/password if they are logging in directly. iPad and non-flash table/mobile device users must follow the instructions for tablets below under course playback requirements. Do not hesitate to contact us if you have any questions or issues.

2. Access FF4Kids Courseware via School Network Server

The technology administrator must have the FF4Kids CD-ROM installed in the school server. Once this is completed, all teacher/students in the building should be able to access the courseware. Contact 316-978-5183 or KCEE@wichita.edu to request a CD.

3. Access FF4Kids Courseware via CD-ROM to Individual Computer

The teacher must insert the FF4K CD in the computer in order to run the program. Contact 316-978-5183 or KCEE@wichita.edu to request a CD.

***Course Playback Requirements**

Tablets & Mobile Devices:

If you are using an iPad or a mobile device that will not run flash player then you will need to [download Puffin Academy](#) FREE app for the FF4Kids courseware to run properly since it is flash based. Puffin Academy for K-12 has no cost and has options for IOS and Android systems. Download the app, open it and then log in to the FF4Kids website through the app. Only whitelisted educational sites are allowed. Go to www.flashbrowser.com and down at the bottom menu is a link to about the program and app to find downloads and the FAQ section will provide the information that your school technology administrator might need to get it approved. Please contact us if you have any issues getting the browser installed at KCEE@wichita.edu or 316-978-5183.

Windows Systems:

Flash player must be installed. FF4Kids should run on almost any system with a minimum of 128 MB RAM.

Macintosh Systems:

Flash player must be installed. FF4Kids should run on almost any mac operating system. If you are using an iPad, use the directions under Mobile Devices.

If you experience technical problems, please contact us at 316-978-5183 or KCEE@wichita.edu and we will do our best to help solve your issues.

FF4Kids is a program of the:
